1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 1, line 7, delete "cross-related" and insert - - cross-correlated - -.

This amendment corrects a typographical error in the claim language since the term "cross-related" lacks any meaning in the instant specification, is not defined by the original specification, and is argued in the paper filed 12/24/05 as being "cross-correlated" see page 15 of 20 of said response.
